

# Bracket Sign System

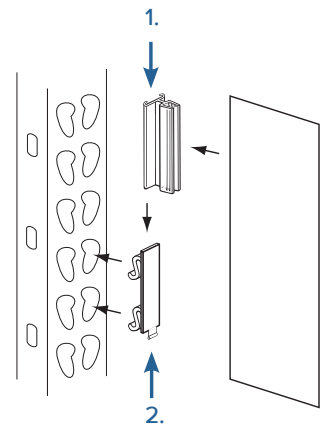

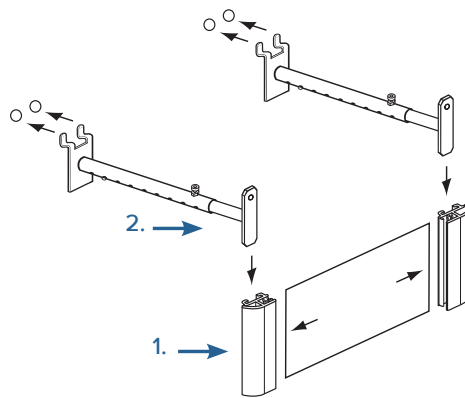

## Features and Benefits

- ◆ Create your own sign system using siffron's interchangeable sign holders and brackets
- ◆ Sign Holders are available in flag and flush styles, in multiple sizes and colors
- ◆ Select SuperGrip® styles for the most secure hold on signage
- ◆ Our wide variety of brackets are compatible with gondola shelf channels, gondola and warehouse uprights, pegboard, slatwall, square-edge fixtures, and flat surfaces

## An easy to use sign system

1. Choose any Sign Holder/Adapter
2. Select any Bracket
3. Insert the Sign Holder onto the Bracket

See back of sheet for components. →
