

Cupcake/Muffin Pans

Achieve optimal distribution of heat for consistent and even baking

Features and Benefits

- ◆ Mini-cake style bakes a 15 count of 4.125" diameter muffins
- ◆ Jumbo style bakes a 24 count of 3.875" diameter muffins
- ◆ 18" W x 26" L
- ◆ Glazed aluminized steel for optimum heat distribution

Remove muffins from glazed pans with ease

Prepare Jumbo or Mini-cake style cupcakes or Muffins with Cupcake/Muffin Pans. Pans are ideally sized to fit commercial ovens and are available in two styles for a 15 or 24 count.

Glazed aluminized steel facilitates an optimal distribution of heat for consistent and even baking.
