

Double-Duty™ Merchandising Strip

Features and Benefits

- ◆ Modular design and easy mounting make these strips doubly versatile
- ◆ Carded items slip over hook or clip underneath
- ◆ Strips can be connected for extra capacity using the Channel Fastener CT2530 (8508012300)
- ◆ Available with 2.5" W or 3" W header, and with mounting adhesive
- ◆ White or black polypropylene

Increase impulse purchases throughout the store

Strip can be mounted to fixtures, windows or anywhere in-store using integrated mounting hole with hooks, fasteners or suction cups; or mount to displays using optional adhesive. Available in multiple lengths and stations; can be joined with fastener to create longer strips.
