

# End Cut Rack

## Features and Benefits

- ◆ Rack fits behind zig zag meat and cheese organizers to hold end cuts
- ◆ Coated black wire

## Provides storage space – reduces overall footprint

Compatible with our Bulk Meat and Cheese Zig Zag Risers, the End Cut Rack provides valuable storage space for end cuts, cheeses, or other product.

Rack is design to fit underneath the Riser, reducing the overall footprint of the display. Coated black wire is non-skid, ensuring stability.
