

Fold•N•Hold® Data Strip® Flag Sign Holder

Features and Benefits

- ◆ Features siffron's Fold•N•Hold® technology, this sign holder punctures signs securely and displays them in the flag position
- ◆ Fits most Data Strip® Label Holders and Front Fences
- ◆ Holds paper signs up to .012" thick
- ◆ Natural polypropylene

Get attention with Flag Sign Holder

Featuring siffron's Fold•N•Hold® technology, the Fold•N•Hold® Data Strip® Flag Sign Holder punctures signs to hold them securely, keeping signs on the shelf and off the floor.

Ideal for holding promotional signage in the flag position from most Data Strip® Label Holders and Front Fences.
