Features and Benefits

- ◆ Boost impulse and complementary item sales with cross merchandisers designed for placement on fixtures
- ◆ Ideal in fresh areas, including produce fixtures
- ◆ Available in five styles for use with peg hooks or merchandising strips
- ◆ All screw mount base styles fit fixtures and bins .75" to 1.25" thick; screw mount tightens onto fixtures for a secure fit and plastic coated foot protects fixture finish
- ◆ Black metal

Cross merchandise to increase impulse sales

Use the Metal Cross Merchandisers to display complementary items where shoppers can easily access them. The merchandisers are ideal for displaying herbs, mixes, dips and tools on fresh area display tables and produce fixtures.
