

Molded Plastic Display Foot

Features and Benefits

- ◆ Lightweight feet securely hold display poles
- ◆ Ideal alternative to wire feet; eliminates wire residue on display poles
- ◆ Use with 1.75" O.D. Display Poles
- ◆ 26" span
- ◆ Black plastic

Ideal alternative to wire feet

Molded Plastic Display Foot provides a stable base for 1 ¾" O.D. display poles. Plastic foot is the ideal solution to "Hollywood feet" and eliminates wire residue commonly associated with wire alternatives.
