

# The Perfect Pineapple Cutter

Consistently achieve a straight cut on the top and bottom of each pineapple

## Features and Benefits

- ◆ Perfect pineapple cutter gives a consistently straight cut on the top and bottom of each pineapple
- ◆ Adjustable to fit most pineapples and reduce waste
- ◆ Use with Table Top Pineapple Peeling & Coring Machine

## Enhance product presentation with perfect cuts

Reduce labor cost while enhancing product presentation with Perfect Pineapple Cutter. The Cutter slices top and bottom of pineapple to create stability for the coring process.

Unit is adjustable to fit all sizes of pineapples. Rust-proof stainless steel and plastic construction is easy to keep clean and sanitized.
