

# Power Zone® Pre-Set™ Self-facing System Extra Narrow Kits

## Features and Benefits

- ◆ Extra Narrow Kits are perfect for narrow items like E-Cigarettes and cosmetics
- ◆ Save labor with box-to-shelf, Pre-Assembled Kits
- ◆ Each Kit comes pre-assembled with a pre-determined number of facings
- ◆ Kits are easy-to-order and eliminate the need for manual configuration
- ◆ Channel Fasteners are included for mounting to perforated shelves with .25" holes (8532988000)
- ◆ Front Fence is 2.25" H x 24" L, clear high-impact plastic
- ◆ Additional facings are available to slide into system (sold separately)
- ◆ To further maximize vertical merchandising space, Category Kits are also available with an integrated Low Profile Shelf

## Extra narrow kits are ideal for E-Cigarettes

Power Zone® Pre-Set™ Extra Narrow Kits is the ideal solution for electronic cigarettes, cosmetic items, craft supplies, and other small, hard-to-set product categories. Product is automatically faced, ensuring every item is prominent and available for customer access.

Power Zone® Pre-Set™ Kits generate sales boost and time- and labor-savings plus ship pre-assembled for fastest box-to-shelf installation.
