## Features and Benefits

- ◆ Each Kit comes pre-assembled with a pre-determined amount of facings depending on the system.
- ◆ Front Fence is 3" H x 48" L
- ◆ Track/Dividers are 2.25" H
- ◆ Front Fence and Track/Divider are high-impact plastic
- ◆ Springs are stainless steel, variable force
- ◆ Additional facings are available to slide into system, sold separately
- ◆ Optional Drop-in Track serves as a second pusher to self-face wide or heavy product

## Pre-assembled self-facing kit organizes produce

Power Zone® Pre-Set™ Self-facing System takes merchandising, loss prevention and profits to a powerful new level. Power Zone® is the only system on the market that generates the sales boost and time and labor-savings you're looking for, plus ships pre-assembled for fast box-to-shelf installation.

One-piece design allows super-fast setting and re-setting of shelves and categories. Product is automatically advanced so every product is prominent and accessible.
