

# Regency Floral Bouquet Display Cart

Cart shown without vases installed

Casters allow for easy transport from department to department

## Features and Benefits

- ◆ Regency-style bouquet display is a beautiful merchandiser for floral departments or anywhere fresh-cut bouquets are sold
- ◆ Floral cart features ornate decorative scrollwork and holds 12 black 13" bucket vases (included)
- ◆ Buckets angle forward for full view of blooms
- ◆ Copper hammertone finish provides upscale look

## Beautiful merchandiser to display fresh flowers

Regency Floral Bouquet Display Cart is great to cross merchandise and sell fresh bouquets in any department of the store. The cart is mounted on casters that allow for easy transport from department to department.

Use integrated sign holder to promote specials or sale prices. Vases are angled forward slightly to display the full view of the blooms.
