

Space-Max™ Cross Merchandiser for Wood Fixtures

Features and Benefits

- ◆ Allows packaged center store products to be cross merchandised with produce items
- ◆ Protective swivel mounting brackets adjust to fit fixtures .75" to 1.25" thick and features a rubber pad for protection
- ◆ Highlight new or sale products and create cross-selling opportunities
- ◆ Clear design provides 100% product visibility
- ◆ Extends into the aisle to capture customer attention
- ◆ Kit includes one bin with two mounting brackets
- ◆ Polycarbonate bin adjusts from 14" to 18.5" wide

Create cross-selling opportunities

Highlight new or sale products and create cross-selling opportunities throughout the store with Space-Max™ Cross Merchandiser for Wood Fixtures. The adjustable merchandiser is ideal for offering meal solutions by displaying complementary packaged center store items alongside fresh fruits and vegetables.

Mounting brackets adjust to fit fixtures between .75" and 1.25" thick and feature a rubber pad to protect wooden surfaces.
