

Take-One™ Literature Box

Features and Benefits

- ◆ Maintains product exposure, even if stock is located at the pharmacy or service counter
- ◆ Customer takes card from display to pharmacy or service counter to purchase product
- ◆ Maintains existing plan-o-gram
- ◆ Literature Box clips on shelf with two fasteners (included) to hold printed cards
- ◆ Brand label kits are also available, call for more information
- ◆ Cards sold separately

Maintain product exposure and prevent theft

The Take-One™ Literature Box is perfect to display purchase tickets for PSE drugs and other products, while also maintaining product exposure in the aisles. (Federal regulations required retailers to remove PSE Drugs from shelves effective September, 2006.)

The Display easily affixes to the shelves and has a clear front to display the purchase tickets while not taking up valuable shelf space.
