

U-Hook Banner Hanger

U-Hook

Adjust-A-Lok

Features and Benefits

- ◆ U-Hook securely displays thicker sign materials
- ◆ Display signage materials up to .75" thick, including foam board
- ◆ Attach sign panels back-to-back
- ◆ Use with .5" or .75" Aluminum Adjust-A-Lok (not included, see Specifications)
- ◆ Fits .25" diameter holes
- ◆ Galvanized steel

Easily display thicker banner material

Securely display thicker sign materials, including foam board, with the U-Hook Banner Hanger. Designed for use with siffron's Adjust-A-Loks, the banner hanger allows for the display of signage up to $\frac{3}{4}$ " thick and accommodates back to back sign displays.
