Features and Benefits

- ◆ Wood-look melamine provides a natural, organic look to displays
- ◆ Elm and bamboo styles are attractive and durable
- ◆ Use as an accent piece or for a specialty set
- ◆ Available in square and rectangular platters
- ◆ Flat for maximum merchandising area
- ◆ Commercial dishwasher safe
- ◆ Food safe melamine

Create a natural, organic look to displays

Available in realistic elm and bamboo styles, Wood-Look Melamine Serving Platters bring natural, rustic appeal to food displays. Platters are perfect for displaying deli and bakery items or for serving fresh meals in cafes and restaurants.

Constructed of durable melamine, the stain- and chip-resistant platters can easily be cleaned using commercial dishwashers.
